The Richmond League is of class A and is on the same footing with the old Dominion. It was through an error that the Old Dominion was put in class A.A., for the present there is no such classification under the Amateur Baseball, Commission.

Cleve Balley is one of the most popular player-managers in amateur ranks in the city, and the managers of the federation should be congratulated if he accepts the position. He was manager and captain of the Grays, who last year won the pennant in the Capital City League in a commanding style. In the whole city of Richmond there is no man more capable to head the destinles of an amateur league than is Mr. Bailey.

Mr. Sutton, the new secretary, is in hearty accord with amateur ball, as laid down by the federation. An ardent haseball fan and personally acquainted with the great majority of players in his league, he will make a valuable acquisition to the league.

EL PASO, TEXAS, February 27.—The official announcement by Jack Curley that the fight between Jack Johnson and Jess Williard for the world's heavyweight championship will not be held settles the question that has been the big topic of discussion here since Johnson began to hag in his journey from Barbados to the ringside at Junrez.

Positive assurance has been given by the promoters of the championship high that no other fighter will be substituted for Johnson. It will be the champion or no one, as far as the Willard affair is concerned. Jess, too, was opposed to the substitution of another in case Johnson did not keep his agreement to come to Juarez to fight. Williard let down in his training, and until a definite date for the fight is set he will work hard but every other day. The big fellow is in fine fettle, and he does not want to take the slightest chance in the matter of going stale.

In the meantime it is just possible that Juarez may see a big fight on March 6 after all. As soon as it became evident that a postponement would be necessary the promoters got busy with the telegraph wires, and at this writing negotiations are well under way for a battle between Gunboat Smith and Jim Flyna in the Juarez ring. It is felt that this would be an excellent match here. The racing crowd, together with the natives and those who have already come this way f the that Flynn and Smith would draw a year, packed "house" around the Juarez ring.

DOPELETS

It is good news to hear that Manager Seamans has started to gather his Al-cos together again. The Alcos were the winners of the city championship last year, and, even with the loss of Tignor and Amos, its two stars, it will be a strong contender during the com-ing season.

Both local basketball quints suffered defeats last night, the Spiders at the hands of Randolph-Macon, and the Howitzers by Lynchburg. These games and the local season, which has been an unusually good one.

It would be a crack-a-jack idea to stage a basketball game here between the Norfolk and Lynchburg Young Men's Christian Association quints. Men's Christian Association quints. These two tip-top teams meet in Norfolk on Saturday night, but another game may be necessary to decide the supremacy. The Howitzer's Armory would make an ideal selection if neutral territory was decided upon.

Frank Norcum, last year an umpire in the Virginia League, has put his fist to a Sallie contract.

The Toronto Internationals will take Pitcher Auld and Outfielders Trout and Hunt of last year's Canadian League team South with them this spring.
